*FROM YOUR PRESIDENT*

Hello all,

I hope you and your equines are trying to stay cool. I know it has been hot but I sure hope cooler days are ahead.

Entry forms are now being accepted for the Shamrock ADT. Get them in early for a show T-shirt.

Sept. 24th Carriage Games at Pam Miller's. Fun classes are being offered. Come

out and join the fun. It's a great time for all to come practice your skills and have fun. Look forward to seeing you.

It is nice to have some activities/events on the calendar so we can get out with our equines and see some familiar faces.

Happy Trails,

Jennifer

*FROM YOUR EDITOR – Veronica Campbell*

**Both Ted and I were privileged to attend that 1st Singles Championship. We went as journalists for Driving West Magazine. We also had the honor of visiting with Mr. Pemberton and he will be missed. I am publishing this from the Sept. Wheelhorse. Randy McFarland was a club member.**

Jack Pemberton passed away on Aug. 16th. He was one of the truly great men in Carriage Driving. I hope the Single drivers will remember at their FEI Singles World Championship this month in France that it was Jack Pemberton as chair of the FEI Driving Committee who pushed successfully for giving Single drivers a World Championship. The first one was held at Ebbs, Austria in 1998 with American drivers Kelly Valdes, Tom Hilgenberg and Randy McFarland bringing home the team bronze medal.

Allow me to share just two of my many own great memories of Jack: Early in my judging career Mr. Pemberton had encouraged me to become an FEI judge. When I was disappointed not getting my license on my first try and asked him for advice, he took me aside, put his arm around my shoulder and said:

"Hardy, we all know you know your stuff. You just have to zip it at times!" and motioned with his hand across the mouth. I got the message! He encouraged me to apply again. My wife rightfully reminds me of his sage advice every now and then to just "zip it"! Years later, Jack introduced me to the pleasure of a good Scotch at night. He will live on in our memories fondly on both accounts. Rest in peace, dear Jack.

## *Driving Society of Southern California*

The Whip'r Snapper Driving society of Southern California was founded in 1989 to promote the sport of driving and to educate the public about driving, safety and to include the public in our activities and events. We are a non-profit organization and a recognized organization of the American Driving Society (ADS).

More than 100 Whip'r Snapper members represent a variety of skills and interest in driving activities; including serving as officials, organizers and volunteers at events or participating in combined driving, pleasure driving, arena driving, driven dressage or just driving for sport and pure enjoyment.

We also have members who build and restore carriages of all types and distribute a variety of driving equipment. We have several members who are ADS officials and drivers on all levels as well as novice drivers who are just getting started and benefit from the help and advice of veteran drivers.

Numerous events are offered throughout the year to accommodate the varied interests of our members and the driving community.

We sponsor two pleasure shows 'Pleasure Days' in early summer, and the 'Halloween Hustle' in October and the 'Sweetheart Arena Driving Trial' in February. We host a variety of events and clinics covering all phases of driving.

You can look forward to pleasure and picnic drives and show with the club throughout the year. We also support driving events sponsored and hosted by other clubs and organizations throughout the western states. Members receive discounted entry fees at club sponsored events and a monthly newsletter, which includes a listing of upcoming events in the Southern California area, educational articles, classified ads and other items of general interest to our membership.

Greetings friends of carriage driving,  
We have posted our first donated item for the AZ Driving & Carriage Society 2022 Silent Auction, which will be held at the Festival of Driving, on October 29th at Westworld in Scottsdale. As you all know, these donated Silent Auction items are invaluable to help support the Festival of Driving Pleasure Show. We are a 501 C3 non-profit organization.

To donate an item, send a photo(s) of your item(s), a short description, and your name. I will post your item on the ADCS facebook page in the "Silent Auction 2022" photo album. Everyone is welcome to browse through the items. You can then bring your item to the show, mail your auction item to me, or have someone take it to the show with them (if you cannot attend). The auction will be held Saturday afternoon/evening, after the 1st day of the classes are completed. If you cannot attend, you may have an attending friend bid on items for you.

There is a 2021 Silent Auction items album on our facebook page, so you can look through the items for last year's show.

Here is the link to the Silent Auction Facebook page: <https://www.facebook.com/media/set/?set=a.5262770340443557&type=3>

or you can look us up on Facebook, under AZ Driving & Carriage, & click on albums, 2022 Silent Auction.

For more information about the show, you can peruse our club web page: [arizonacarriage.org](http://arizonacarriage.org)

This is an American Driving Society nationally recognized event. AZ club membership is not required to show.

# Carriage Games 9-24-2022

## CA Scurry slalom: Objective: points challenge

Each cone is worth 1 point. There are 27 points possible (20 points for VSEs\*). The cones are set in three lines—Line 1 is 7 cones, Line 2 is 9 cones and Line 3 is 11 cones. **In the event of a clear round**, a second go round is timed. A ball down ends that round, the clock stops, and the time is recorded to use as a tie-breaker. The number of cones cleared may be used as an alternative or secondary tie-breaker consideration. \*Line 1 would be omitted and VSEs cross the start line in the opposite direction of other divisions but finish in the same direction.

Team Cones: A team of two carriages or a team of one carriage and one rider negotiate parts of the cones course, alternately.

On a ten cone course, the first turnout would drive, in order, cones #1—#5. In the meantime the second turnout (or rider) is in the arena ready to drive cones #6—#10 once the first turnout clears cone #5. **However**, if the first turnout dislodges a ball, that turnout is done and the second turnout must start at the cone where the ball was dislodged and continue through the cones numerically. The clock stops once the second turnout/rider crosses the finish line and a 3 second time penalty is given for each ball dislodged by the second team member. For riders, the distance between cones is narrowed.
